# Zelfstandige arbeid

Deze gegevens zijn afkomstig van het Rijksinstituut voor de sociale verzekeringen der zelfstandigen (RSVZ), meer bepaald van hun statistiek van de personen die onder de toepassing vallen van het sociaal statuut van de zelfstandigen wegens de oefening van een beroepsactiviteit als zelfstandige of helper. Dit kan zowel betrekking hebben op een persoon met een hoofd- als met bijberoep. Vanaf 1 januari 2003 werden de echtgenoot-help(st)ers verplicht zich in te schrijven in het zogenaamde mini-statuut, wat een verzekering tegen arbeidsongeschiktheid en invaliditeit inhoudt. Vanaf deze datum werd dan ook de volledige groep opgenomen in de statistieken. Voordien werden enkel de meewerkende echtgenoten opgenomen die zich aansloten op het statuut van zelfstandige.
Te noteren is dat de geografische spreiding gebeurt overeenkomstig het officiële (domicilie) of het opgegeven adres van de verzekeringsplichtigen. Dit stemt niet noodzakelijk overeen met de plaats waar de beroepsactiviteit wordt uitgeoefend.
